COMPANY PRESS RELEASE

ARLYS® INTRODUCES NINE MOONS® COLLECTION

ARLYS®, a producer of natural plant & marine botanical products, introduces the *Nine Moons® Collection*. A uniquely feminine line with 100% pure essential oils created expressly to pamper new and expectant mothers. The gentle ingredients and subtle aromas pamper your skin during this precious time. For breastfeeding mothers, the Moisturizing Nipple Cream soothes and protects dry, cracked skin and fosters hormonal balance. The Moisturizing Crème for Scars & Stretch Marks contains a synergistic blend that nourishes the skin and diminishes stretch marks and scars. The Soothing Chamomile & Calendula Soap provides a calming aroma and is perfect for those with sensitive skin, including baby. For a perfect peaceful bonding Mommie & Baby moment - use the Aromatherapy Votive Candle!
